### ABOUT OUR EQUIPMENT RENTAL FINANCE SERVICES

ZDFin is an authorised **Financial Services** and **Credit Provider (FSP 50767 and NCRCP 13610)**. We provide specialist services and advice to **Bodies Corporate, Homeowners' Associations** and **Property-Owning Companies**.

ZDFin (Pty) Ltd ("ZDFin") offers an **Equipment Rental Finance ("ERF")** service to any Scheme, which does not have the immediate financial capacity to, or otherwise does not want to, outright purchase any assets (examples being security equipment, back-up power equipment or the like) yet ideally require this equipment to optimise daily operations including safety needs and efficiency of and for the Scheme.

ZDFin's ERF service offers Scheme Executives a quick and efficient mechanism to source, install and provide all members with the immediate benefit of related equipment.

### What differentiates ZDFin?

- ZDFin is dedicated to providing a proactive and responsive service, addressing your requirements.
- ZDFin values building long-term relationships with clients.
